

December 7<sup>th</sup>, 2021

Dear Travel Partner,

We hope this message finds you well and optimistic, as the travel industry continues making progress on the road to recovery from this crisis.

The Center for Disease Control and Prevention (CDC) states that all passengers entering to the United States and many other countries are required to present proof of negative COVID19 test lab, for testing conducted within **24 hours of arrival**.

**SAME DAY RESULTS:** COVID19 test result will be given to our Guests on the same day. We will appreciate you take not on the pricing and service hours, which are available effective immediately (and until further notice) for our mutual passengers who requires a COVID19 test prior to departure, based on the following:
